About Driscoll Children's Hospital ...

*"Improve the health of adults and you give them back their health...
Improve the health of children and you give them their life."*

Driscoll Children's Hospital is a 189-bed pediatric tertiary care center with pediatric board-certified specialists representing 19 medical and nine surgical specialties offering care throughout South Texas, including Corpus Christi, the Rio Grande Valley, Victoria and Laredo. Each year, more than 100,000 children receive care through Driscoll, including the 40,000 patients seen at South Texas' first emergency room created specifically for pediatrics.
