ADDITIONAL INFORMATION

Audience

This program is designed to provide education for pediatricians and residents engaged in the direct care of infants, children and adolescents with an update of urologic emergencies, common urological infections and urinary incontinence.

Disclosure

All faculties and planning committee members participating in a Driscoll Children's Hospital-sponsored CME activity will disclose to the audience any significant financial interest or other relationship with the manufacturer(s) of any commercial product(s) and/or provider(s) of commercial services discussed in an educational presentation, and with the commercial supporter of this activity. Disclosure information is reviewed in advance to manage and resolve any conflict of interest that may affect the balance and scientific integrity of an educational presentation.

Approval as a provider refers to recognition of educational activities only. Display or discussion of commercial products and services does not imply endorsement of the product or service by Driscoll Children's Hospital.

Educational Methods

- Lecture
- Case Presentation
- Hands-On
- Audio Visual
- Interactive Group Response System

Course Syllabus

An extensive program syllabus contains pertinent information on each conference topic, detailed objectives and the faculty curriculum vitae.

Accreditation

Driscoll Children's Hospital is accredited by the Texas Medical Association to provide continuing medical education for physicians. Driscoll Children's Hospital takes responsibility for the content, quality and scientific integrity of this CME activity. Driscoll Children's Hospital designates this educational activity for a maximum of *[three (3)] hours in AMA PRA Category 1 Credit™*. Each physician should claim only those hours of credit that he/she actually spent in the educational activity.

Special Needs

Driscoll Children's Hospital is committed to making its educational programs accessible to all in accordance with the American Disabilities Act of 1992. If you have a disability or experience a dietary restriction, please detail your requirements under the Special Needs section on the registration form.

the American Disabilities Act of 1992. If you have a disability or experience a dietary restriction, please detail your requirements under the Special

Needs section on the registration form.
