

Beretta 686 Silver Pigeon Over & Under Shotgun

A perfect blend of beauty and performance, the Beretta 686 Silver Pigeon I over-and-under shotgun features meticulous attention to detail for appearance and performance. Elegant, balanced, and easy to aim and fire, this over-and-under shotgun is built around Beretta's proven 680-series receiver. Its low profile action delivers a strong locking system and Beretta's legendary point-ability, helping you put the gun's shot exactly where you point.
