PROGRAM DIRECTOR

Sonia Mathew, MD, FAAP - Medical Director, Continuing Medical Education Program
Adjunct Assistant Professor, Dept. of Pediatrics, Texas A&M University College of Medicine

CONFERENCE DESCRIPTION

This conference focuses on many challenges involving the clinical care of children. Topics for this year's conference have been selected based on educational needs determined from identified professional practice gaps, derived from past years conference evaluations. The goal for this conference is to increase knowledge and enhance the competence of attendees. Emphasis will be placed on practical application of the evidence-based topics presented.

TARGET AUDIENCE

This conference is designed for pediatricians, resident physicians, registered nurses, advanced practice professionals, medical students, and public health professionals with clinical relevant information to advance practitioners' competence and provide them with effective use of targeted skills so that they may develop strategies to apply the knowledge, skills and judgement of the information presented in the educational activity in their practice.

OBJECTIVES

The program is designed to promote best practice and provide a comprehensive review of current clinical challenges in selected pediatric sub-specialties.

EDUCATIONAL METHODS

Due to COVID-19 Pandemic, for the safety of attendees and speakers, the conference will be hosted virtually. This activity has been designed with didactic lectures supplemented with clinical vignettes, audiovisual presentations, direct discussion and case presentation.

COURSE SYLLABUS

Each registrant will receive a link by email, to access session materials. The session materials will be available at no additional cost, for download approximately two weeks prior to the conference.

The syllabus will be available online from July 9, 2021 through August 31, 2021..

Upon request, additional material is available for purchase at these prices:

- USB flash drive- \$10.00 (includes S&H)
- Printed syllabus-\$50.00 (includes S&H)

ATTENDEE REQUIREMENTS

At the conclusion of virtually attending this conference, each registrant is entitled to a certificate of completion which will be available online. Successful completion of this activity is determined by virtual attendance of this activity and completion of the online evaluation. Each participant should only claim credit to commensurate with the extent of their participation in the activity.

DISCLOSURE OR RELEVANT FINANCIAL RELATIONSHIPS

All faculty and planning committee members participating in this Driscoll Health System –sponsored accredited continuing education activity will disclose to the audience any significant financial interest or other relationship with the manufacturer(s) of any commercial product(s) and/or provider(s) of commercial services discussed in an educational presentation, and with the ineligible company of this activity. Disclosure information is reviewed in advance to manage and mitigate any conflict of interest that may affect the balance and scientific integrity of an educational presentation. Approval as a provider refers to recognition of educational activities only. Display or discussion of commercial products and services does not imply endorsement of the product or service by Driscoll Health System.

PHYSICIANS

Accreditation Statement

Driscoll Health System is accredited by the Texas Medical Association to provide continuing medical education for physicians.

AMA Credit Designation Accreditation

Driscoll Health System designates this live educational activity for a maximum of [twelve (12)] hours in AMA PRA Category 1 Credit™. Physicians should claim only the credit commensurate with the extent of their participation in the activity. This course has been designated by Driscoll Health System for [four (4)] hours of education in medical ethics and/or professional responsibility.

NURSING

Driscoll Children's Hospital is accredited as a provider of nursing continuing professional development by the American Nurses Credentialing Center's Commission on Accreditation.

Driscoll Children's Hospital provides up to 12 contact hours for successful completion of this educational activity.

OTHER HEALTHCARE PROFESSIONALS

A certificate of attendance will be provided to other healthcare professionals for requesting credits in accordance with specialty societies or other professional associations.
