Children's Hospital

Learning Outcome Statement

The pediatric registered nurse will have the necessary knowledge and skills to provide initial care to the critically ill or injured pediatric patient until critical care consultation is obtained by recognizing critical illnesses, effectively managing acute deterioration and post resuscitation, and identifying the need for a patient to transfer to an appropriate critical care environment.

Other Requirements

Successful PFCCS course completion requires that the participant attend all components of the course, complete the pre-test, and pass the written examination with a score of 70% or better.

Who Should Attend?

The Pediatric Fundamental Critical Care Support (PFCCS) is designed to prepare healthcare providers caring for unstable, critically ill, or injured pediatric patients. Likely participants include:

- Hospitalists caring for potentially unstable, critically ill or injured pediatric patients.
- Advanced practice nurses and physician assistants with limited pediatric practice.
- Rapid response/medical emergency team members.
- Pediatric critical care fellows beginning their training.
- Emergency medicine physicians who do not routinely care for pediatric patients.
- Nurses caring for complex and potentially unstable pediatric patients.
- Pre-hospital providers and transport teams who are involved with the transport of pediatric patients.

Registration Information

- Register by mail or email using the form on this leaflet. The registration fee includes: the course textbook, breakfast, lunch, and contact hours. Materials will be sent once payment has been made.
- Enrollment is limited. Early registration is encouraged to guarantee space availability.
- A \$75 processing fee will be made on all cancellations and NO REFUND will be given after registration deadline.

All cancellations must be received in writing within 72 hours prior to the course.

Provider Course Credit Awarded

CME - Driscoll Children's Hospital is accredited by the Texas Medical Association to sponsor continuing medical education for physicians. Driscoll Health System designates this live educational activity for a maximum of **16.75 AMA PRA Category 1 Credit(s)**[™]. Physicians should claim only credit commensurate with the extent of their participation in the activity.

CNE - Driscoll Children's Hospital is accredited as a provider of nursing continuing professional development by the American Nurses Credentialing Center's Commission on Accreditation. Driscoll Children's Hospital provides **15.5 contact hours** for successful completion.

Successful Completion Continuing Education

For successful completion and receipt of contact hours for this continuing education activity, the participant must:

- Attend the activity in its entirety
- Complete an online evaluation form
- Achieve a passing score on the post-test
- Pass the required skills stations

Sponsorship or Commercial Support

This CNE/CME activity has received no sponsorship or commercial support.
