

Steve Woerner Scholarship Scholarship Award

The Auxiliary to Driscoll Children's Hospital is pleased to announce **The Steve Woerner Scholarship** in honor of our former CEO & President. As an acknowledgement of Mr. Woerner's support of the Auxiliary to Driscoll Children's Hospital, this scholarship will be awarded to applicants of exemplary academic record and who have demonstrated initiative and commitment in support of others in the community.

This one-year scholarship will be offered to a first-time applicant at the beginning of the 2019 and 2020 school years only. Any current or past DCH patient who is a graduating senior in high school is eligible to apply.

Undergraduate applicants must satisfy the admission requirements of their chosen university, college, or vocational school. No restriction is made regarding field of study. Selection will be based on academic record, attitude, initiative, and financial need. The scholarship will be awarded for one school year to be distributed to the recipient's school finance department. Recipients may continue to receive the award amount each semester for each of their freshman through senior years by submitting a transcript after each semester, thereby eliminating the need to re-apply each year. The recipient must maintain a minimum 2.0 grade point average in order to receive payment for each succeeding semester's award within the scholarship year. The amount awarded will be \$1,500 per fall and spring semester, and \$750 each summer session.

Requirements will be a letter of intent, an essay on how this scholarship would benefit the recipient, and full time enrollment in a college, university, or vocational school of 12 hours or more. Awardees must submit grades as soon as available at the end of each semester to the Steve Woerner Scholarship Committee. A cover letter sharing details of that semester should accompany the transcript.

Application Process:

1. Include a school transcript. Please secure this first so you will be assured you will have it to send in with the application.

3. Include a letter of intent as described on the application form.
